food for thought

www.bluefieldsgroup.com

Bluefields Group is a leading independent catering butchery, offering quality produce and own branded products to the UK's premier restaurants, hotels, gastro pubs, leisure facilities, wholesalers and caterers. Our award winning products are also recognised by renowned chef, Marco Pierre White, for being leaders in our field.

Our customer centric philosophy and commitment to delivering excellence as standard is complemented by innovation, modern techniques and investment in cutting edge technology. We offer a flexible and innovative approach built on traditional values and 350 years combined heritage.

Flexible & Scalable

We offer our customers a range of value added services to include:

- Menu planning
- Creation of bespoke product ranges
- Flexible packaging options including vacuum and skin packing, gas flushing and tray wrapping
- Specified quantities to aid stock and portion control

We pride ourselves on working with our customers to make their lives easier, so contact us today to see how we can help you.

Delivery

Bluefields Group offers a 24 hour ordering hotline and delivery Monday to Saturday to ensure ultimate freshness for your customers. All products are supplied chilled or frozen by uniformed drivers. Operating from accredited food compliant, EC approved facilities.

To discuss your individual ordering and delivery requirements please contact us today and we will be happy to assist.

Traceability and Accreditation

Our commitment to using only the finest ingredients across our product ranges is matched by our dedication to ensuring full traceability standards are met and exceeded from gate to plate.

We pride ourselves on the quality of our produce and products and we ensure that we comply with and exceed the highest of industry standards to give you and your customers peace of mind.

food for thought

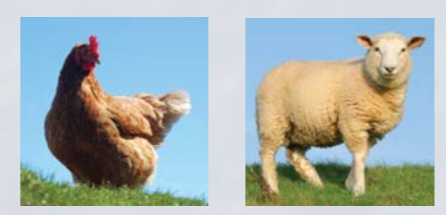

Ben Burgers

Established in 1999 Ben Burgers provides the ultimate fresh burger for the discerning chef. We are the country's foremost manufacturer of prime 100% pure free-range British steak beef burgers. The Ben Burger brand was created to meet the need for a modern, innovative and flexible approach to the traditional burger.

Our multi award winning burgers provide a healthy meal that is never compromised on quality, texture or taste. Naturally fresh, the burgers produce a wonderful eating experience with a juicy bite texture and ultimately an unrivalled taste sensation.

We are dedicated to ensuring we deliver only the finest quality products. Our experience together with our ability to create bespoke creations, will ensure your customers will keep coming back for more.

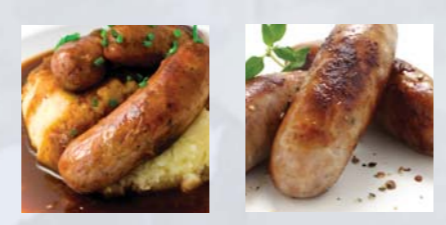

Bluefields Meat

With its headquarters in Kent, a prime location to serve the UK and Europe, Bluefields Meat is a supplier of top quality meats, poultry, game and charcuterie.

As portion control experts, we supply meat in quantities and packaging type to suit your requirements, supporting our commitment to provide produce of the finest standards and supported by our exceptional service. We aim to source all of our produce locally wherever possible and ensure all our products are fully traceable to give you peace of mind.

Our extensive product range should satisfy the most expansive menu however we are always ready and willing to source specialist products and work with chefs to create seasonal specials. We also provide halal meat, which is sourced from Halal Food Authority (HFA) approved suppliers. If you would like to know more about our halal service please contact us to discuss your requirements.

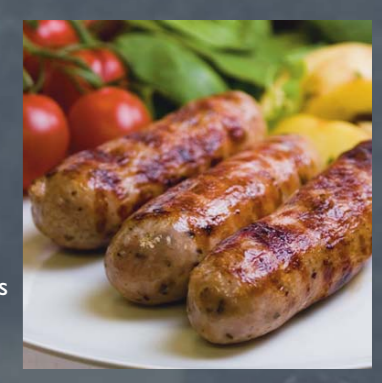

Kentish Gold

Kentish Gold produces a wide range of premium quality traditional sausages, manufactured using only the finest and freshest ingredients. Our sausages use only premium British boneless cuts of meat to create the finest quality sausages in the UK.

- Kentish Gold sausages include:
- No artificial colouring
 - No head meat
 - No trimmings
 - No offal

Made to an age old family recipe, we pride ourselves on the traditional values and methods employed to ensure we never compromise on taste, quality, texture or goodness. All of our sausages are produced to high recipe specifications and under the strictest quality guidelines.

"Quality sausages as they should be."

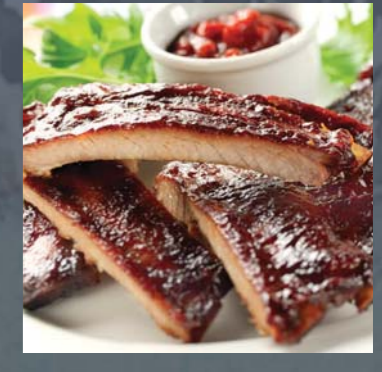

Joe Smokes

Made to an authentic recipe, Joe Smokes ribs offer a true taste of 1960's America.

The special blend of spices combined with our use of only the finest quality meat makes for a unique taste experience. Our signature baby back ribs come in a variety of flavours to suit the traditional as well as the more adventurous palettes but all guaranteed to produce a range of truly succulent ribs. We provide a variety of different rib cuts including St. Louis, belly and baby back, all of which can be delivered either raw or cooked. Our BBQ, Smokey BBQ and plain smoked flavours have all been developed to deliver an all American taste sensation that will keep your customers coming back for more.
